“ I got to meet and visit with Miss Jewel while volunteering with Avalon and instantly became a friend. She was so sweet and she loved her savior. I also had good conversations with her ever faithful son, John. You will miss her but we know she is at peace with her lord.

“ Not only did I know her before she went into Joplin Gardens but I got to take care of her there too. To be there last few hours. My greatest memory was her getting her cake from her friend Alex and her sharing it with me.
