“ I didn't know Jewell very long, but knew her from Schreibers. I also knew her at the bingo hall and she used to make me laugh the way she'd get really mad when someone would yell bingo before she did. She's sit there and mumble and grumble under her breath and then AFTER bingo she'd say something to that person's face! She was really funny. I haven't seen her in years, but will never forget her. She was always so very nice to me and I'm sure she's up there in bingo heaven winning every game! RIP sweet Jewel!!!

“ When Jewell was about 8 years, we were playing house with our dolls  
Jewell said, "When I grow up, I will be living in Massattuttses." I have no idea why I even remember that. The word was just different and funny.
