“ *Jimmy was something else, every time I saw him we would stop and talk no matter how much work we had left to do, we would talk for 30 to 40 minutes. One of us would say "I have vot to go". But every time I talk with him, he made my day. I will miss you buddy!*

“ *The Jimmy I knew the Uncle Jimmy I know he always was trying to be funny it was nice when he pick me up from the park when I was being a knucklehead a kid in a bad neighborhood where my mom didn't want me to be at the park he came in and said "you need to get your butt home" I thought that was cool him coming all the way out to pick me up from a bad area. And me and my cousin Jimmy got to go to KC Chiefs game with him that was very fun he made us laugh and that was a good memory with him at the game and also to the time he took us fishing. Just some of the memories. Uncle Jimmy will be well missed and loved thank you for being my Uncle. (Jeremy Hair)*
