“ Johnny, he was just one of my other kids. Hanging around the house with my son. Living across from the park on Centennial made our house the gathering place. I could never keep Kool aid or chips in the house. As the boys grew up. He would call and check on me. Making sure I was okay, to see if I needed anything. when my son was in KC. He was the one who made sure I was able get to KC. Good hearted man and a best friend to my son for close to 40 years. You will be missed. Rest in peace John.
