Jake our Step Grandfather by marriage to Step Grandma Joann, never seemed a Step Grandparent, his love for his family extended to each in the same loving caring ways thru Big Huggs, Love & his individual care for each as their individual selves, Loving Social Togetherness with his family to extend to his Church family as many he came in contact with, his enjoyment for Laughter, priding himself for the many he touched through love & laughter, always joking or had a joke to share, Great sense of humor, sharing his wonderful positive outlook on life with each in much the same ways. Always excepting individuality in his love for each whom passed his way.. He a huge heart full of love for anyone who had the privilage to know Jake in person.
