“ Karl (& Fran) were great friends to me and members of the Calico Quilters Guild in Miami. He gave us many laughs & memories. He delighted in showing us up with making an entire quilt 12” where our individual blocks were that size. Be was such a helper with the quilt shows we had - hanging the quilts and walking the ladders to do so just months after having both knees replaced at the same time! Cherish all of the beautiful quilts and miniatures he made. They are works of art and indeed treasures. His stories and laughs will be missed. Cathy Spencer

“ Karl and Fran were quilting friends of mine. He made such beautiful large quilts and amazing miniature quilts. I loved when they came to the Joplin Area Town and Country Quilters meetings in their matching outfits. They always had stories to tell about their latest cruise. He lost the sparkle in his eyes when he lost Fran, and his love of sewing without her by his side. He will be missed. Kathy Knapp

“ I always admired Karl's humor and quilting talent. His skill in making miniature quilt blocks and quilts was amazing. Both he and Fran were a joy to be around. I like to think that they are on a never ending quilt cruise - complete with matching outfits.

“ My condolences to the Family of Carl "Tex" my friend. What a nice person. I know he will be missed. I always enjoyed a good laugh as we would talk. Had been friends with Tex back to his younger years in the early 60's. Godspeed Tex on the next part of your life's journey.
