“ I am sorry to hear about your loss. I just wanted to share a thought with your family. At John 5:28,29 it says "Do not marvel at this for the hour is coming when all those in the memorial tombs will hear his voice and come out." God not only has the power but also the will to bring back those who have fallen asleep in death. Again I am sorry for your loss.

“ Tina and family....my heart goes out to all of you. Kathy always had a positive outlook on "life" in general. The cancer may have taken her life, but it didn't take all the memories we have of her...Again, I'm just so sorry.

“ I am so sad to hear the news of Kathy's passing. I worked with Kathy for a few years and she was always the sweetest and most positive person. There was never a time that I didn't enjoy talking with her. I will be praying for her family and friends asking God to comfort you all during this loss. God just took one of his most precious angels home. I will miss you Kathy.
