“ Kathy and I enjoyed sewing and Kathy could make the cutest Barbie and Ken doll clothes! I never could succeed making those tiny clothes look like "clothes". Kathy had the skill for it!

She was a very good Bible class teacher and always had a beautifully decorated room for her pupils.

She had compassion for the lost in other countries as well and willingly donated her bicycle for use by a Preacher in a third world country so he could travel the rough country roads to take God's Word and love to share with the lost that they might have the Hope of Eternal Life, too. I believe her bicycle was sent to India. Will miss you very much, dear Sister in Christ, Kathy. You can sing those sweet songs with gusto with all God's children now.

“ We grew up together, enjoying many Church cook-outs at the Kornes. Kathy was a great inspiration to us all, always using her many talents to serve her family and friends. I'll never forget the Mission trip we took together to Italy. She won everyone's hearts with her sweet smile and infectious laugh.

Rest on peace, dear friend...

“ I am saddened to lose my dear friend. We had a lot of good times together through the years. I enjoyed being able to give her a ride or just visit.
