“ *This lady was one of which you NEVER had to wonder what she was thinking or feeling. She would let you know no matter how good or bad. We had some good history and some stressed history. If it weren't for her, I probably wouldn't have the family I do. Rest In Peace, Beautiful Lady. You were definitely one of a kind, my friend.*

“ Katrina and I grew up together. I remember her smile and her laugh. We had several summer days at municipal park pool and crusing Central. She was one of my good friends growing up and then we drifted apart as we got older. It had been many years since i had seen her, bit she still looked the same as she did in high school. She was a great friend growing up and this world is a little lonelier knowing she is gone. My thought and prayers are with her family at this great time of loss. Sincerely, Lisa Wiggan Crouch

“ Weenie Ween I will forever miss you. Our talks have brought me through some of my darkest of days. You have done by far more for me than I could of ever done for you. You carried me through loosing Leslie and carried me through caring for Autumn. Thank you for always being a listening ear. Never judging and always being in my team. I love you so much. And will miss you more.

I am in total shock and heartbroken. Katrina (Ween) and I have been friends for over 30 yrs. Man we would run around town and find some mistief to get into almost daily. We were roommates more than a few times. We shared clothes, shoes, jewelry, fights, and cars. Our kids grew up together. We got older made better decisions, raised our kids loved on our granbabies. We even had a couple of arguments between each other, one of the many things I can Say about Kateina is that she always forgave people. She stood strong in her faith. Me and my son Derek Cortez seen her just a few months ago at Dodge where he works and I bet we talked for an hour before we both had to go. We hugged as usual and said I love you. I'm so glad we always ended every conversation with an I Love you. I'm heartbroken sis, and I'm going to miss you. Give Jesus, my momma, my brother Ivan Shields (they used to date) lol.. The biggest hugs and tell them I love them too. I'm going to miss your face that never aged, your red hair, that beautiful smile and that wonderfully giving heart. Forever one of my dearest friends. "I LOVE YOU"
