

Kenny Jones

October 22, 1951 - November 6, 2011

“Kenny” Jones was a special person from birth, a pre-mature very tiny blue baby boy born to Harold Jones and Billy [Laizure] Jones in Pittsburg, KS October 22, 1951. Kenny had a way about him that made people smileAnd I firmly believe, was an angel in training. Kenny worked on his father’s farm until he was 17 years old, feeding hogs and working the dairy. His horse was trigger and his black/white collie “Pot-ee” were his beloved companions. He moved to Carthage and worked at the Sheltered Workshop then move to Nevada, MO. Kenny was a friend to the animals feeding and taking in strays. He also loved shooting baskets in his high top basketball shoes; he planted tomatoes and melons to share with his neighbors. Kenny’s caregivers were more like family and loved to take him on drives to the country to see the farm animals. Graveside services will be held 2:00 pm Wednesday, November 9th, 2011 at Parks cemetery. The services are under the care of Ulmer Funeral Home Carthage, Missouri. Online condolences can be sent to www.ulmerfh.com.

I can remember him feeding the birds, talking about trigger, shooting hoops, and blowing kisses to all the girls. It was a honor to have known and work with Kenny and Kenny will reamin in my heart.
