“ I am very sad to hear that Kerry Kinder has passed away. Although I have not seen Kerry in over 30 years, Kerry has always been in my thoughts and prayers. I first met Kerry in 1962 in Bolivar, Missouri. We lived only a few blocks away from each other. Kerry was two years older than me and was in the same class at Bolivar High School as my sister Anna and cousin Joycelyn. We became great friends and for three years I was either at his house or he at mine. We both shared an interest in the American Civil War and spent a great deal of time researching and re-inacting the major battles of that war. When we were not doing that, we would hang out at Jester's Drug store and soda fountain where his Mother worked and sip on chocolate sodas, root beers and talk about all the things we were going to do in life. Kerry was always kind and polite; a very good friend. I just wish that we had stayed closer in touch over the years, but I will never forget him. Rest in Peace Kerry.

I worked with Kerry at Ryder truck rental for a few years in Springfield. He was the nicest mechanic there very polite and friendly. I happened to run across a last name of Kinder and genealogy and made me think of Kerry Kinder. It sounds like he had a full and blessed life and I'm very happy for that. Rest in peace good friend.
