“ Dear Karla and family, My heart goes all out for Kristi's family. Although we all know she has found the peace that she has longed for, it still doesn't take away all the hurt. We'll never understand "why" of these sad things that happens to good people....bless you all....

“ Love & prayers to all Kristi's family. She truly cared for others. She patiently answered many questions I had when we used to work together, and I was new. She was an ear that heard when you were hurting. She was the lender of encouraging, thoughtful words when you needed them. No doubt she will be greatly missed.

“ Kristi is no longer suffering and she is at peace at last. It is hard for those that are left behind, and yet know they will see her again. I am sorry for your loss and am praying for her children, sister, mother, and other loved ones who will miss her so much. I have read the following over and over again. It gives me comfort and reassurance. Romans 5: 1-11. All my love to Debbie and her family. Susan Smith
