“ With sympathy to all the family. I don't think I have seen Larry since I was a youngster, many years ago. I remember him most because of some pictures in my parents photo albums, which let me know I had a very handsome cousin. I'm just sorry we didn't all stay in touch.

“ Larry was a special person to the Irwin family. He always had a hug a smile and a "I love you" for our mother. He loved coconut cream pie. Mom always made sure she made one when he & Donna joined us for Thanksgiving. I know he is in a much better place and a happy man to be with Donna. May God comfort you during this time.
