“ I know it is hard to lose a dear loved one. I myself have lost both parents and miss them very much. However, this thought gives me the strength to keep going. Having a chance to see them again. You too have that chance with your dear loved one, Mr. LeMasters. The bible gives us this hope in the book of John Chapter 5:28,29. Please take the time to read and meditate on it. It will surely ease your pain some. Sorry again for your great loss.
