“ *Lessie will always hold a big part of my heart, Her smile would make a bad day into a joyous day. She always made sure to ask if I was doing okay before I even had the chance to ask her how she was. I miss you and your smiling face Lessie. Our talks and laughs will always hold a big spot in my heart.*

To her family, Y'all are her pride and joy, she adored you all and always talked about you with pure joy on her face. I love that if she needed anything one of you would make sure she got it that day or the next... Y'all never dissapointed her... She knew she raised well respected children and was so proud. Her legacy will live on with you.

I'm praying for God to give this family strength, and to hold their fragile hearts close.
