“ How saddened I am to see that Linda has passed away. I had a short but nice visit with her at Oak Pointe just before visiting was stopped. I am so glad I saw her that day.  
Linda was always a special lady to me. Her children were some of my favorite students and such joys to know. I got to know her best when she was working at the high school. And then my mom was friends with her and Roy in real estate sales. So our lives crossed in many ways. We would always catch up when we ran into each other at Walmart. Linda was a caring and great lady. She was so very happy to have her family. Her face would light up with that beautiful smile when she would tell me about you. My deepest sympathy to all of you. You are in my thoughts and prayers daily. I hope your memories and your security in her love help you in the coming days and months. May  
God's peace and comfort surround you.  
Love, Alice Johns

“ Here's a picture of Linda at the counselor's office at the high school. It was comforting to know she was there if we needed anything. I practically grew up at Marla's house & Linda was always so good to me. She was a strong woman with a great big Texas smile! I never realized how much Marla looks like her until I found this picture. RIP, sweet lady. Thanks for being a part of so many of my great childhood memories! And thanks for letting us girls be ornry.... ;) ”

“ Lots of great memories growing up with Marla. Linda was such a pretty lady. I was always amazed how she wore her hills everywhere she went. And iced coffee! You will be missed Linda. You meant so much to so many. We are praying for peace for the family. ”
