“ Dale, we are saddened to learn of your loss. I know you and Linda had many years as a happy family when she was in good health. I had been planning to attend the service today but find myself with a severe sore throat. I do not want to share the germs. Please take care of yourself. Carl Crawford

“ I love that picture of Linda. It reminds me so much of our teenage yeasister Dianers together. We shared a room and would talk and laugh late into the night. We were best friends. She was a wonderful woman and it hurts to think of all she went through these last few years. What a blessing Dale was, such a faithful husband. Love to the whole family.
Her sister Diane in Florida.
