“ *Charlene, please accept my sincere sympathy at the passing of your Mother. My thoughts and prayers are for you and your Family. You probably don't remember me, but we were little playmates and schoolmates in Carthage in the 1950's. Our Fathers played on the same softball team, and you and I would play every week at Municipal Park. We went to school together at Columbian, and Mrs. Bessie Wilson was our teacher in the 1st grade. When I moved in the second grade, you wrote in my autograph book. Please email me, and I will share a story about the little poem you wrote. With love, Karen Wright Sherod*
