“ *I want to send my condolences to all Diane's family, her friends and a special sympathy to the man of her life who she loved deeply! I'll also be speaking for her niece Tara Rush in her absence! We are so very sorry for your loss but know this, and I hope that it brings you a little peace, she is free of her pain and walking with God in those beautiful flowered fields and on top of those pure white clouds. He was there to greet her when she opened those pearly gates. I hope the first ones she seen was, her mom and dad! Love and peace to you all,*
