“ *Ralph and family;*

*I'll always remember Anne and how she praised the Lord back in our Central days. Years later, seeing both of you in Diamond and the hugs you gave me after Chris went home meant more than I could ever express. I have no doubt that Anne is praising our Lord, Savior and King as she was intended to but now, what she believed in her heart , she now sees face to face.*

*You are in my prayers.

“ *Bud and I want to express to you how very much we care. I know this road has really been hard for you, but try to remember all the good times you had. We will keep you in our prayers Ralph. I know how very much she loved our Lord. If we could see her now dancing on the clouds. We love you and wanted to reach out to you as this virus is so hard on all, especially not being able to give a simple hug. Anne was one special lady.. Karolyn*

“ I will always remember Anne as a women of great faith and love for all whom she met. She was a follower of Jesus in every way, encourager to those in need, and even in her darkest hours she knew who she belonged to. She knew our God as a mighty one who never left her side. It is by the way Anne lived her life that I will remember her. Few people leave a lasting impression in your heart, Anne is one of those people. She will be so greatly missed by all. May all of you during this time of mourning continue to hold tight to God's promises and Anne did. May you be comforted in knowing that she is beaming in heaven just as she did here on earth. And yes, probably giving our father a few things to talk about.....Hot Tub Ralph? Love you all.
