“ I'm so sorry for your loss! I have many fond memories of being at your house on Macon St. when were just grade school kids. Playing baseball at the water tower across the street or chasing sparkle around the pasture I think we rode her a couple times. You'd mom and dad always had horses. But when we were done playing your Mom always had something for us to eat and a cold drink. She made the best tacos. She always made robert and myself feel welocome. She will be missed by many.
