“ Marvin was such a great guy. Way back in the day he always enjoyed talking about the things he was doing to his Nova - it brought him a lot of joy. Always smiling and always had time to sit and talk when we came into Iggy's. Great memories. Sending prayers for you, Calvin. Sharon Herrera

“ Marvin will be greatly missed.
As a younger cousin I always looked up .. literally... To Marvin and the the way he went about things, getting things done
Difficult things. down to the fine details in everything he did. Working on cars, driving an eighteen wheeler, wiring new homes, older homes,
Scuba diving at Beaver Lake,
Repelling off cliffs, bridges,
Stadiums, and helping friends and family , Marvin will be missed.
