“ Dear Sweet Aunt Mary. My thoughts of her always brings a smile, from the puppy given to me as a little girl, cause I couldn't follow the boys around to trying to pass off a baked racoon as chicken. I will miss sending her a wreath this Christmas and will miss my birthday cards that I always received, most of all, I will miss her laugh. I am glad you were my Aunt Mary. Blessings, peace and grace to the family and to all her friends, who are better for having known her and will miss her so.

“ I knew Mary's sons, Kenneth and Kervyn, many years ago. Their lives reflected the great love of a mother to her sons and the wonderful caring and light of her soul. May God shine His eternal light upon her and grant her a restful peace.

“ We will definitely miss our dear Mother Mary. She was by far more than a friend to our family for 60 years. Just not enough words to express how wonderful she was and how terribly we will miss her. Our family love her so much. God Blessed every person that was lucky enough to have known her. She wasn't very big but her heart was huge!
