“ *I remember Melissa as John’s sweet little niece. As a little girl, when I took her shopping she always wanted to get her sisters something first, then would look for something for herself. She loved her family so much. Prayers for all her family and friends.*

“ I am truly sorry for the loss of your mother, she was an amazing and strong woman. I had the pleasure of working with her at Butterball and being able to call her a true friend. She will be greatly missed by everyone who knew her and loved her. She loved her daughter and sons with all her heart. Her grandkids meant the world to her she never stopped talking about how much she loved and adored them. The world and her family have lost an amazing woman. Our prayers and thoughts go out to her family.
