“ Uncle Mike was one of the smartest men I have ever known. He had an incredible ability to fix, build, or solve just about anything, and he was always willing to lend a helping hand.

*He touched the lives of so many people and will be deeply missed by all who knew and loved him. I take comfort in knowing he has been reunited with his brothers and sisters who went before him.*

*Rest in peace, Uncle Mike. Your legacy, wisdom, and kindness will never be forgotten.*
