“ Robert, George, and families:
So sorry to hear of the passing of your mom and for your loss. Also sorry I could not attend the services. I have so many fond memories of our childhood, playing ball in your yard or in the pasture across from my house. There were few days we did not have a game going somewhere. When we got hungry, your mom would always find something for us to eat, even if it was crackers with mustard. She was a great mom to you three boys and to us when we were in your yard....which was very very often.
She looked out for all of us as if we were her kids and we loved her for it.
We all will miss her.
