I will miss Nina so. We enjoyed watching Gunsmoke in the evening & then spending an hour in Bible Study following Bill Bright's Promises book before bedtime.

Nina was a special lady you meet and know instantly she loved her lord and her family. She was very proud of all her children, grandchildren and greats. It was a honor to be able to be with her on weekends and sometimes during the week taking care of her also the most I will miss is our long talks. Your mom and Grandmother is with her love of her life and they will be looking over their family like they always have only together in Heaven. Gods Blessings to all of you.
