“ *I will always remember my first time meeting grandma. We had just moved in with our new foster family. Rick and Karla. They took us to her house to make the introductions and she met us at the door with a smiling face full of unconditional love, and big ol ziplock bags full of gummy bears. But thats who grandma was. She was the most unconditionally loving and welcoming person i have ever met. She was a blessing to this world and blessed my life and the lives of everyone she met. Im proud to call her grandma.*
