“ *Wow Patty Died, Just a day after my Birthday, Wow, She was such a Great Homemaker!*

I have some great Childhood Memories of her growing Up, Her Hug's and all that.

She gave me some great suggestions, One of is try not to let it rain on your car it can

it can take luster from the Paint. I always get my Car washed and detailed after it rains

and think of her from time to time.

My condolences to the entire Kennell Family Particularly Clifford and Kelly.

Dear Clifford and Kel: I am so sorry to hear about Patty. I always enjoyed her company. When we moved into our new house in 1991, she and Vonnice came out and Patty gave us a set of coasters. I still have them. I think of her when we use them. May she rest in peace.
