“ So glad I got one last chance to see her and tell her I love her. Bev, you are my dearest friend and my heart is with you, even though I had to come back to CO. It was great to see you all and I'm thankful that you allowed me to be part of such an intimate family time. You were all amazing - being there for each other with strength and comfort and love. She's resting now and finally at peace with God! I love you!
