“ I didn't want to believe it when I heard Kyte had passed, and it really didn't hit me til I saw the picture and read the obituary, but let me say Kyte ,man ,you will be missed, and throughout our lives, I consider you a good friend, a good person, and I remember the talks we had about accepting Jesus Christ as our Lord and personal saviour, we had some good talks Kyte, and I know sometimes we didn't see eye to eye, but that's life, you are home now man , you can rest, no more sorrow, no more pain, you fought the good fight , you finished the race, I Love Ya Kyte, I miss ya man, and I know you are happy now, no sickness, and there's only but one Judgethats the judge you accepted in your heart and mind, ours is not to live the life of others, but to live Our life, fly high man,and ride a drop of rain and hit me up side my head and laugh, I'll know it's you---- Peace

“ So sorry to hear of your loss.

We grew up and lost touch with each other, but I have never forgotten all the years of baseball and fun we had as kids. Phil and I were on the little league all star teams most of our childhood together, and we had a blast going to Brookfield IL for the regional tournament. It is a time I will never forget, no matter how many years go by, nor will I ever forget my team mate and friend.

*My deepest sympathy,
Mike Curtis*
