“ Becky was perhaps the most fun person in the class of '73. She was always smiling, with a quick wit, and great humor. She was loved by all.

“ *Becky was a girl I enjoyed being around in school, because she always had us all laughing instead of dreading more school work. I am sorry she had to leave us here on earth, but look forward to having lots of fun with her in the afterlife. Sincerely, Cathy Pence Pierce*

“ *When my girls were young, spending time with Aunt Becky was as much fun as going to the carnival. Becky's sense of humor and what she taught the girls sometimes caused quite a stir in the grocery store check out line or even Sunday school a few times, LOL. I would tell her about it afterwards, Becky would just laugh and be so proud. She was a great Aunt to Crystal and Casie, and always a friendly face and warm hug for me. I'm going to miss you Lady, Have fun playing with the Angels. Love You. Jenny*
