“ *RIP Dr Behrend,
when we met for the first time I had started by myself as a
chiropractor for about a year.*

*I was the most fortunate doctor to cross paths with you, as you
discussed plans to move your office to carthage and were looking
for another chiropractor to practice together.*

*Thank you for your fellowship, wisdom, and guidance through the
years. You will be missed. 😞😭*

“ I've been honored to call Rick a friend for about 25 years. He was also my chiropractor and the best around. He was one of the kindest men I've ever known. He was also quick to tease you and loved to pull a good prank. He was such a great person and there's no doubt he's with Jesus now. I can't be at his memorial service because of a family Christmas but I want his family to know he was a treasured friend and I will always remember him and will miss him tremendously. Prayers for you all.
