“ My condolences to Becky and the Swift family. Bob was a good CMS teacher. He tried to pass everyone in class. One time I remember we had trouble getting into the building. The key wasn't working or something. We had to wait around for help. I don't remember how it got resolved. He seemed to like to talk on the phone a lot. He definitely won't be forgotten. RIP Bob Swift.

“ My name is RODNEY EDWARDS, I was married to Becky many years ago. I first met Bob in Omaha coming back from The Sturgis Rally in 1990, I always liked and appreciated him for taking care of my daughter Regina. He always was friendly and done the family well, Lord knows I didn't help much. I will always be grateful for being there. Hate it when a fellow his age passes cause I believe he should have had more time. Good men are hard to find and I believe Bob was one of them.
