“ Wade brought a smile with his pictures and genuine spirit. He always asked how your day was going or sent a happy thought. He touched many people from all over the world with his sweet nature and he will be missed. Prayers to his family and friends.

“ I met Wade on Instagram... and although we never met in person, I was moved by his thoughtfulness, and support that he had offered myself and other members there. He was a very creative photographer... <http://instagram.com/swade77> and shared lots of humor and joy with everyone who followed him. His light will not fade from our hearts. My prayers and thoughts go out to his family and friends.
