“ Ron was one of the most hard working people I ever knew. He was my friend as well as my brother. To say he will be missed is an understatement. We had been through so much together from our childhood until he went home to be with the Lord. He seemed to never catch a break in life but kept on keeping on. I love you Ron and I can't imagine you not being here for the rest of my life. Give dad and my sweet Jeremy a hug from me. Your work in this world is done, now you can rest without pain.

Love

“ Anytime he was catching fish and your weren't, “Some people go fishing to catch fish, and some people just go fishing.” Unfortunately most of the time I just went fishing. But most importantly I was fishing with him. I love you dad and will always miss you and cherish the time I had with you. Thank you for always being there.
