“ To the family of Rosemary Walker, my name is Karen Fox McDowell and my mother's name was Mary Lou Fox Roffmann. I just saw a Facebook post about Rosemary's passing & I wanted to send my condolences to the family. I vaguely remember Rosemary when I was a child as she and mother were friends. A few years ago when I was visiting mother in Carthage, we ran into Rosemary at the grocery store and had a wonderful visit. I always wondered what had happened to her. I don't remember much about those days, but that she was so pretty, nice & full of life! The picture that was posted is how I remember her. My mother passed away in January, 2015, so I feel your loss & pain. I know they're having a good time together in heaven!
