ME

“ Grandma "Mema", it is hard knowing you're not here. I already miss my grandma, my friend. I wish I would have been there for the services but I am so happy I was able to say I love you and my goodbye to you Mother's Day weekend. I'll miss our late night talks, your laugh, your fussiness, your stories of family and friends. Does heaven allow collect calls? I can't imagine not ever hearing your voice or seeing your face. No one teaches you how to lose someone, one of life's hardest lessons. But I am relieved you are at peace, I know you were ready to go. Love you. Your granddaughter~
