“ Dear Michael and John Paul,. I'm so sorry I lost touch with your family when you guys lived in Apache junction I used to go over and play cards with your mom and dad. I enjoyed our time together. I loved it when I went and visited you guys in Carthage Missouri you guys were so nice to let me stay there. I lost Touch when I heard your mom moved to the lake of the Ozark area. I tried to once a year find your mom online or one of you boys and I was heartbroken when I saw the obituary for your mom. She was always proud of you two boys and crowded the time she served in Marine corps. God bless both of you and I'm so sorry for your loss. Love to both of your boys and your family. I am married now and enjoying retirement. I still live in Tempe, Arizona. Take care,

“ Sandy was the sweetest person you could know. Even though I was her care giver, she always asked how I was. She became family to me. She thought it funny how I had to turn my head away from her horror shows. Then, she would change the channel. She cared about others. She is missed.
