“ *Sandy was special, she was the calm in the midst of storms. She had so much love in her that she loved everyone. She was caring, forgiving and always there, a phone call away. I pray that the ones she loved will honor her legacy by living this out in their lives also. I also pray that the Lord our God will wrap his loving arms around her husband, children and their families, comforting them as only He can. I will miss you Sandy. With love, Your sister-in-law Sue*
