“ *Heath and Heather....I have to agree with Bunny about all of the fun times we had with your Mom on our many Home Interiors trips. She was the best. And even though we lost touch over the years, I would think of her often and with much fondness. Please know that our thoughts and prayers are with you during this difficult time. Ann McCorkle*

“ *So sorry about Sharon's passing. We worked together for many years in Home Interiors together. And I have such fun memories of Sharon. Sharon, Ann and I always roomed together on our many trips, rallies and seminars. Sharon was a blast! She was quick witted and always had a "comment" And of course it was hilarious. Being with Sharon and Ann will be some of the most fun times of my life! Heather and Heath-- God bless you and your families during this time. Love, Bunny*
