“ We are praying for peace and comfort for each of you as you gather to celebrate Sharyn. We met Sharyn through The Precious Moments Chapel and quickly developed a friendship with this special lady. Through the years we got closer and laughed together and grieved together. We will miss your loving, and caring spirit and your smile. We celebrate that you are no longer suffering but are now basking in the presence of our Heavenly Father. Until we meet again in Heaven one day we will smile each time we remember you and want you to know we will love you forever.

“ My deepest sympathy to Bill and all Sharyn's children. Sharyn was my cousin (my mother Mickey and her father Guy were siblings). I have wonderful memories of visits in Carthage and the Blackwoods coming to Amarillo when we were young. Although we didn't see much of each other when we were older, I will always remember how pretty Sharyn was and how sweet she was, and I will miss her.

“ I worked for Sharon right after high school in the gift shop. She was so kind hearted! She was proud of her family, as she often shared stories about them. Such a beauty smile and laugh. I'm sorry to hear of her passing. She will be truly missed. My prayers go out to your family.

“ There are so many memories of you floating through my mind today. Memories of family visits to your house in Carthage and your family coming to Amarillo for visits. I remember playing games and lots and lots of laughing. I loved your dimples and ready smile. I have been working on the Villines and Blackwood genealogies for the last ten years and have lots of pictures of all of us from over the years and quite a few stories about the family. I plan to write a book and share with those who would like to know about our ancestors. I am looking at your picture and thinking you still look so much like that little girl I used to play with. Even though we haven't been able to see one another very often in our later years know that you were loved and missed. There is a song I sing every day and I want to sing it for you. It is very short. "There is a place I know, only I can go, and no one else can go there for me. Yes, not one else can go there for me. It's my heavenly home. I am home coming home, I am home coming home." My love to you and God speed you on your new journey. LOVE, Your Cousin Gloria

“ Meeting this beautiful lady was a lovely experience! I went to dinner with Bre and the rest of the family at Universal's City Walk. She was so kind to me, just like the rest of this wonderful family. My heart aches for your loss, but know you are all so very loved. Sending love and light to help you all through this difficult time. 🧡

“ *Every one of this beautiful woman's hugs will be with me forever! I can still hear her voice very time I think about those hugs. She was the most amazing mother to Ski and mother-in-law to me. On top of that, she was an absolute angel of a grandmother to Bailey. Sharyn, I expect to feel you right next to me every time Yadi is up to bat. I will miss texting you about Cardinal baseball more than you will ever know. Love you to the moon!*
