“ I have so many memories of Sherrie. She was my partner in crime. We had so many adventures. After my husband passed. Sherri was my rock. She made sure I was alright. Sherri surpassed being my friend. We were Sisters. I will truly miss being able to pick the phone up and call her. I could call her any hour of the day or night and she would answer. We shared many life moments. Rest in Peace my beautiful friend. One day, we shall dance on those streets of gold together! Until then I will always hold you close to my heart. Love you forever and always. Lynn Alexander

“ *Our deepest sympathy to you in this loss. Sherrie was a great lady. I met her first when she was my student. Then later she was a neighbor and mom to boys who played with my boys. It was always nice to see her around town and catch up with family news. Her smile was cheery and made me smile. We are not able to attend the events but please know that we are with all of you in thought and prayer. Love your family. Ed and Alice Johns*

“ *She was always there to support EVERYBODY. She loved everyone. She did miss her loved ones that has gone before her. I know it was a glorious day when she was welcomed by them all on Saturday. I know the hearts are sad here. The void is HUGE. I will sure miss seeing that smiling face on Maple Leaf Saturday at the pancake feed, ready to show off all those kiddos and grandbabies that she adored so very much. My heart aches for all of you. I will pray for all of you for the upcoming days. I sure hope that she is getting in all the lost bingo and margarita time with Donna.*

“ I worked with Sherrie for about 20 years, off an on in the Credit Department. Her sense of humor and mine were alike. We would play pranks off and on with each other, nothing hurtful or harmful, just small things we thought was funny and just want to share with one another. God has called her home, she will be missed by many. Thoughts and prayers are with the family.
