“ So sorry to see this. Steve and I worked together at Branch One for years. Back when we were unionized, Steve was the union shop steward and I was the HR Manager. In most circumstances we should be on opposite sides but we were always able to work together. Steve was a great person and friend. RIP

“ Dear Winans Family,  
The last time I remember seeing Steve, he was a little boy five years old. He was very cute and seemed shy at that time. I wish I had known him as a grown up. His father is my first cousin and we lived some distance apart. We are very sorry for your loss and ask God to comfort you at this time.

With Love,
