“ *My Mom and I just heard about our neighbor Susan. She was always smiling and she liked to joke around. She was a caring Lady. She would ask me to play darts and I would tell her no because she was a pro. Susan will be missed. Our thoughts and prayers are with her and her family.*

“ I just heard off Susan’s passing. It just doesn’t seem possible. It has been years since I last got to see her, so when I think of her, I still picture the same Susan I always knew, who lived by us at the lake. Susan was just enough older than Amy, Heather, Heath and myself that we kids probably got on her nerves a lot. ;) Regardless, she always had a friendly “Hi” for me. She was always kind and caring. I remember several conversions and interactions. I remember her with her parents and I very much remember the years when it was just Susan and Herb living there at the lake near us. I remember weekends with both of our extended families. Lake activities. Yard volleyball in the flooded yard. So many memories. Sending my love to the family. You are all in my thoughts and prayers. Even though I haven’t seen Susan recently, I will miss her. She was a part of my youth and I will always hold dear the memories we shared.

“ Prayers for Susan's family so sorry to hear of her passing. I lived on the same street as their family when growing up and went to the same schools. I know she will be greatly missed. I remember her always smiling.

“ As I think of Susan I think of her love of animals. She is greatly miss by her 24/7 companions Izzy and Bella. It's hard for them to understand as it is the rest of us. I think of her fondness of flowers, she did pick out pretty flowers. Her wit, she was quick witted and made us laugh. I miss you Susan. Phyllis, Pam and family you are in my heart.
