“ We are so sorry for the loss of your Mother. You are a wonderful son and we are sure she was proud of you. Glad you got to spend the last part of her life with you. We are in Alabama now or we would be there. See you when we get home.

“ Susie was always the most delightful person on any occasion, with a smile on her face and a desire to be as helpful as possible. She had worked closely with the legendary Carthage Hero Beatrice Howell who was such an outstanding caterer and chef for occasions of all sizes. Susie told me several times of the excellent advice Bea had given those who worked with her. I have been missing Susie and want to offer my sincere sympathy to her family and descendants, particularly you, John, I'll never forget what a pleasure it always was to be around your mother.
