“ I still can't believe this. She made me feel so welcomed when I was the cook at St. Ann's. She kept telling me how Claire loved it when I made Salisbury Steak and Mashed Potatoes. She always wanted to come see my house at Christmas. She always had a smile and a helpful hand. I am sorry for your loss and I will be praying for the family.

“ I remember this one time I think we were in junior high and and she was seeing this boy and I liked one of his friends, we were at Griggs Park and we walked around that park 8 bet 100 times me trying to get up the nerve to kiss this boy, and never once did she complain, just was just being a good patient friend and I loved her for that, yes we lost each other as we got out of high school but I still considered her a good friend and kept up with her on social media, I will miss your smile

“ I'm not sure where my first memory went so I will repeat it. Teresa was good friends thru school with my twins Tammy and Shelly. They ran around together and Teresa would come over to our house. She was a sweet girl and I am sad to hear the news. I seen her a couple of years ago and she gave me a big hug. May God comfort your family.

“ Scott and family, I am so sorry! It was always so important to Teresa to stay in touch with people and that is something in which I often fail (No Show). When we were in college together, we talked so often. We were both single moms with two kids trying to get by while getting a degree. Of course as time passed, we didn't talk as often. No matter how long between visits, it was always as though we had seen each other last week. A piece of my heart goes with you my dear, dear friend. I will always carry a piece of you with me too.

“ Teresa was a wonderful person and a great helper. When Clair was at St. Ann's School I got to know Teresa even though our kids were not in the same grade. I will miss her.
