“ Sorry to hear of his passing. I saw him quite a bit when he was a child, and came with his parents to my grandparent's farm to visit. My grandmother was Clyde's sister. Rest in Peace, Terry.

“ I met Terry and Lois the first day they attended The Sheep Shed about 9 years ago. We just clicked and had been friends since that day. We rooted for the Chiefs together and big hugs and great conversations every Sunday before church. Terry and Lois never forgot my birthday and gave me a card every year. Terry was a fine man and he will be greatly missed at The Sheep Shed. I'll be praying for all his family especially sweet Lois I know her loss is devastating. 🙏💕 God Bless, ~Tall Terri
