

Timothy Scott Morgan

April 16, 1962 - July 18, 2024

Timothy Scott Morgan passed away at the age of 62 on Thursday, July 18, 2024, succumbing to his multifocal glioblastoma grade IV brain cancer. While our hearts mourn the loss, we take comfort in knowing he is no longer suffering.

Tim was born on April 16, 1962, in Dayton, Ohio. In 1974, the family moved to Carthage, Missouri. Tim was a middle child and often caused his mother a lot of headaches. He poured dish soap into the Sonic water fountain on Central Ave, in Carthage, which made quite a mess—it even made it into the newspaper! He was proud of it. In 1977, his mother married Ronald Houdyshell, and Tim gained two brothers, David and Joseph, and soon a third brother Ronald Jr. Tim loved teasing his brothers and teaching them funny tricks.

As a teen, he had various jobs, including working at Dairy Queen under his brother James' supervision, where he enjoyed giving free ice cream to the pretty ladies. After graduating from Carthage Senior High in 1980, Tim attended Devry University in Kansas City, Missouri, to study electronics. Tim liked to remember how he would get imperfect pizzas from his mother's work and sell them for a dollar—microwave-heated included! Even though he moved back to Joplin, Missouri, a few times, Dallas became home. During one of his returns to Joplin, he worked at Cardinal Scale in Webb City, Missouri, where he was lucky enough to be offered training in IT. He left Cardinal Scale and moved back to Dallas. He went on to submit and get

approval for two patents in his name for architecture of software in the IT field. On December 16, 1997, Tim met his wife Natasha online. Tim and Natasha married on August 16, 2009, in Vermont. From the beginning, Tim adopted Luna, Natasha's daughter, as his own. Tim and Natasha went on to have another daughter, Lennon.

Tim was predeceased by his half-brother Shane; his mother Angela Asher Houdyshell; his stepfather Ronald Houdyshell; his father James Willard Morgan; and grandparents Everett and Thelma Asher, and Willard and Mary Morgan.

He is survived by his wife Natasha, and daughters Luna and Lennon. His uncle Johnny Asher and family. His brother Jimmy, his wife Karlla Morgan and their son Kyle and daughter Kacy, her husband Derek and their two children. His brother Randy, his wife Beth Cooper Morgan, their son Timothy James, his wife Alexis and their two children; their daughter Brittany Dawn, her husband Tyler Oberley, and their six children; daughter Emily Furrh, her husband Tom and four children; and their son Noah Smith, his wife Lizzy, and their son. His brother David Houdyshell, II, his wife Kristy, their daughter Chelsey, and their sons: David III, his wife Natasha, and three children; Austin; Travis, his wife Melissa and their daughter. His brother Joseph Houdyshell, his fiancée Deborah Mulloy, and their children: daughter Kenzi, her husband Blake Wilson and their six children; daughter Karlie, and her husband Ubaldo Rivera; son Ian Mulloy and wife Alyssa; their daughters: Taylor, Tara, Breann, and granddaughter Breklynn. His brother Ronny Houdyshell, his wife Rhiannon Houdyshell as well as their son Asher. He is also survived by his parents-in-law, Micheline Ananiadès and Hubert Paris.

Tim was an amazing human being who brought joy to all he met. He loved to run, play guitar, write songs, read biographies and historical books, and watch all sports, especially baseball and the Olympics. Tim ran a few half-marathons in Dallas and in

San Francisco. He also loved to party, especially with his brothers. He was always there when someone needed a hand. Tim died too young, and he will be missed. He wished to be laid to rest next to his mom, his brother Shane, his stepfather Ronald Houdyshell, and his grandparents at Park Cemetery in Carthage, Missouri. The services will take place on Saturday, July 27, 2024. The visitation will be held at 1:00 pm, and the service at 2:00 pm at Ulmer Funeral Home in Carthage, Missouri. In lieu of flowers, you are welcome to donate to St. Jude Children's Research Hospital as he did: <https://www.stjude.org> or to the American Brain Tumor Association <https://www.abta.org>. Contributions may also be mailed or dropped off to Ulmer Funeral Home. Condolences may be made online at www.ulmerfh.com. Arrangements are under the direction of Ulmer Funeral Home.

“ Nat, Lennon and Luna, Angie n I wanted to send our condolences on Tim’s passing. We met in 2000 n been friends since then. We chatted several times during the week. Tim always had witty smart alecky things to say. I tried to get back at him, but he wud smack me back down w more wit 😊. I will miss the weekly music videos that we would send each other. I didn’t miss a beat; n continued to send him music even while he valiantly battled his illness. I felt special being his bud. As I know so many others did. He never stopped talking about how proud he was at having Lennon at the young age of 50. 😊. Love to the Fam. I’m gonna miss my brother so much : 1: 🍷❤️

SS

I went to school with Tim, he was a good man .

Steve Sweet - July 26, 2024 at 03:36 PM

“ My name is Scott Lueck, and had the honor of getting to know Tim, your friend, family member, husband & father over the last couple of years through working together on a team

Times being how they are, we are usually remote. However, for me the rare occasion we were able to be in person w/ Tim & our team is memorable. My eternal memory will be introducing green chili at Sam's in Denver last year

While we're remote ours is a dedicated team & we would at least spend a little time every morning together & w/ Tim getting to know each other, making commitments, taking on challenges & solving problems

I'll remember Tim as a man of few words, but when he spoke it was important & worth listening. Tim was a thought leader & irreplaceable teammate whose contributions will continue to help his team & our mission for the foreseeable future's. The work isn't important now, but I want his kids & family to know how smart Tim was while here
