“ Tina and Tim were my next door neighbors for about 5ys. We had alot of BBQ and 4th of July celebrations. After she moved, I didn't keep in contact with her, wish I would have. We once drive to Miami to the Casino and then off to breakfast. She's been on my mind alot lately and was going to visit her see how she was doing. I had no idea. Now I know why she was on my mind. She was an excellent cook, we shared alot of food back and forth and we'd visit and talk about life. She was a wonderful lady. She loved her family. So sad to hear about her passing. Prayers to Shaundra and Landon.

“ *Mrs. Tina always called me Bubba and bringing me home cooked food and baked cookies, etc., I loved working with Tina at Mazoo when I 1st started with the company. She still came by to visit me often at the store. I will always cherish meeting such a wonderful person and never will my memory of her fade. I am blessed in getting to meet and know Tina. I would like to express my sincere sympathy to her family....a true Angel has gone home.*
